Re : Termination of Mastercam sub-reseller contract - UTEC Soft Co., Ltd

To all valued customers and Mastercam users,

My name is Chiang Chin Hock, director of Techtown Pte Ltd from Singapore.  
We are the Authorised Mastercam dealer in Singapore, Thailand, Indonesia, Middle East and Myanmar.

This letter serves as a notification to all our customers and Mastercam users in Thailand.

Please be informed that with immediate effect, Mr Rittidet Promdum of **UTEK Soft Co., Ltd** is no longer a Mastercam reseller in Thailand or any other country (if any). Mr Rittidet or UTEK Soft is no longer allowed to sell any of Mastercam products. Since end of 2014 we have not supply any Mastercam software to UTEK Soft Co., Ltd.

It had come to our attention that some PCs might have being installed with unlicensed software without your knowledge. We **strongly urge** all Mastercam users, regardless of new or old customers, who have purchased Mastercam software from Mr Rittidet Promdum or UTEK Soft to send an email to [admin@techtown.com.sg](mailto:admin@techtown.com.sg) immediately to verify your software licenses. Failing to do so might cause your organisation to be unknowingly using unauthorized or unlicensed software.

Thank you

Yours faithfully,

Chiang Chin Hock  
Director  
For Techtown Pte Ltd
